

Dear Friend:

We are happy and excited about our plans for the **9<sup>th</sup> Annual Monster Stomp 5K Run/Walk** in Lawrence County. This event benefits the Western PA Chapter of the National Multiple Sclerosis Society and is scheduled for October 15, 2011 at the Neshannock High School Stadium.

The goals for this unique 5K Run/Walk is to raise awareness about the effects of MS on our family members, friends and neighbors, and also to raise monies to allow the MS Society to continue their much needed programming. Last year's event attracted over 425 participants and countless supporters as well as over \$30,000 that was donated proudly to the MS Society. Over the past eight years, we have donated well over \$200,000. We need to thank all of our sponsors because it would not have been possible without you. We plan to continue our quest to improve the lives of patients and find a cause and cure for Multiple Sclerosis through our fundraising efforts.

**Gold Sponsorship (\$1,000-\$1,500)**
